

Fair book Cover and Fair Poster Contest

Fair book cover art will be printed in a space that is 4 1/2 inches wide by 5 inches tall.

(Use a ruler to check that the rectangle to the left is the correct size after you print it.)

This rectangle is provided as a guide for sketching. Your original artwork will be fitted into this space, but does not need to have a rectangle drawn around it.

Poster art will be fitted into a horizontal space that is 5 1/4 inches tall by 7 1/2 inches wide. Contest details are mailed from the Extension Center, and can be viewed online at www.4-hfair.org.
